HOW TO PREPARE A GOOD PROPOSAL

Peter PETROV

Deputy Head of Energy Research Unit CINEA

2021 – 2027

Tip 1: Be ambitious and realistic

1

Calls are very competitive

- success rate is ~30% for 1st stage call and ~30% for 2nd stage call
- for a single stage call success rate is ~15%

2

Ambition, progress beyond SoA and soundness of the methodology:

- Clear and pertinent objectives. Explain well how will you meet the requirements of the topic
- Is the proposed work ambitious and goes beyond SoA? Is it realistic within the project work frame?
- For CSAs ensure high quality of proposed coordination and support measures

Tip 2: Understand call conditions and text

Consult **FAQ's** in good time –
or ask your own **question!**

Tip 3: Define your outcomes and impacts

- **Outcomes** Expected effects of the projects results, over the medium term. Defined per topic.
- **Impacts** Wider, long term effects on society, economy and science, enabled by the outcomes of R&I investments. Defined per destination.
- **Pathway to impact** How the expected outcomes and impacts of the project will be achieved? How dissemination, exploitation and communication of the projects' results will contribute to the expected outcomes and impacts?

Tip 4: Build an effective work plan & good project team

Effective work plan;
risks & mitigation measures

Resource allocation is in line
with Work Plan

Partners have sufficient
capacity, a clear and justified
role in the project

Extent to which the
consortium brings together
the necessary expertise

Tip 5: Simple to digest

Use graphics

Easy to follow

No tiny fonts
or tight line spacing

Respect page limits

Easy language for non-native English speakers...

On the left, there is the European Commission logo and the text 'European Commission | Funding & tender opportunities | Single Electronic Data Interchange Area (SEDIA)'. On the right, there are links for 'English EN', 'Register', and 'Login'. Below this is a dark blue navigation bar with a home icon and menu items: 'SEARCH FUNDING & TENDERS', 'HOW TO PARTICIPATE', 'PROJECTS & RESULTS', 'WORK AS AN EXPERT' (highlighted with a red circle), and 'SUPPORT'. On the far right of this bar is a 'select programme' dropdown menu with a grid icon.
