Building a Horizon Europe partnership on agroecology living labs and research infrastructures

- For the good quality of the meeting, please:
 - **Mute your microphone & video** at all times until the hosts invites you to take the floor (the host will mute all at the beginning of the meeting)
- You can use the chat with:
 - « **Lysiane Hubert** » if you have technical question
 - « **Everyone** » only to:
 - Give **input when invited** by host
 - ask a **question to a presenter** or ask for the floor.
 - The chat will be **structured** and saved and shared.
 - Any participant in private.
 - « Host » for any other type of communication to us.
- The meeting is being recorded and will be shared.
- If you have joined by phone, look for the presentations in your email.

Building a Horizon Europe partnership on agroecology living labs and research infrastructures

Webinar 2 -

Building a shared understanding of living labs and research infrastructures

7 May 2020

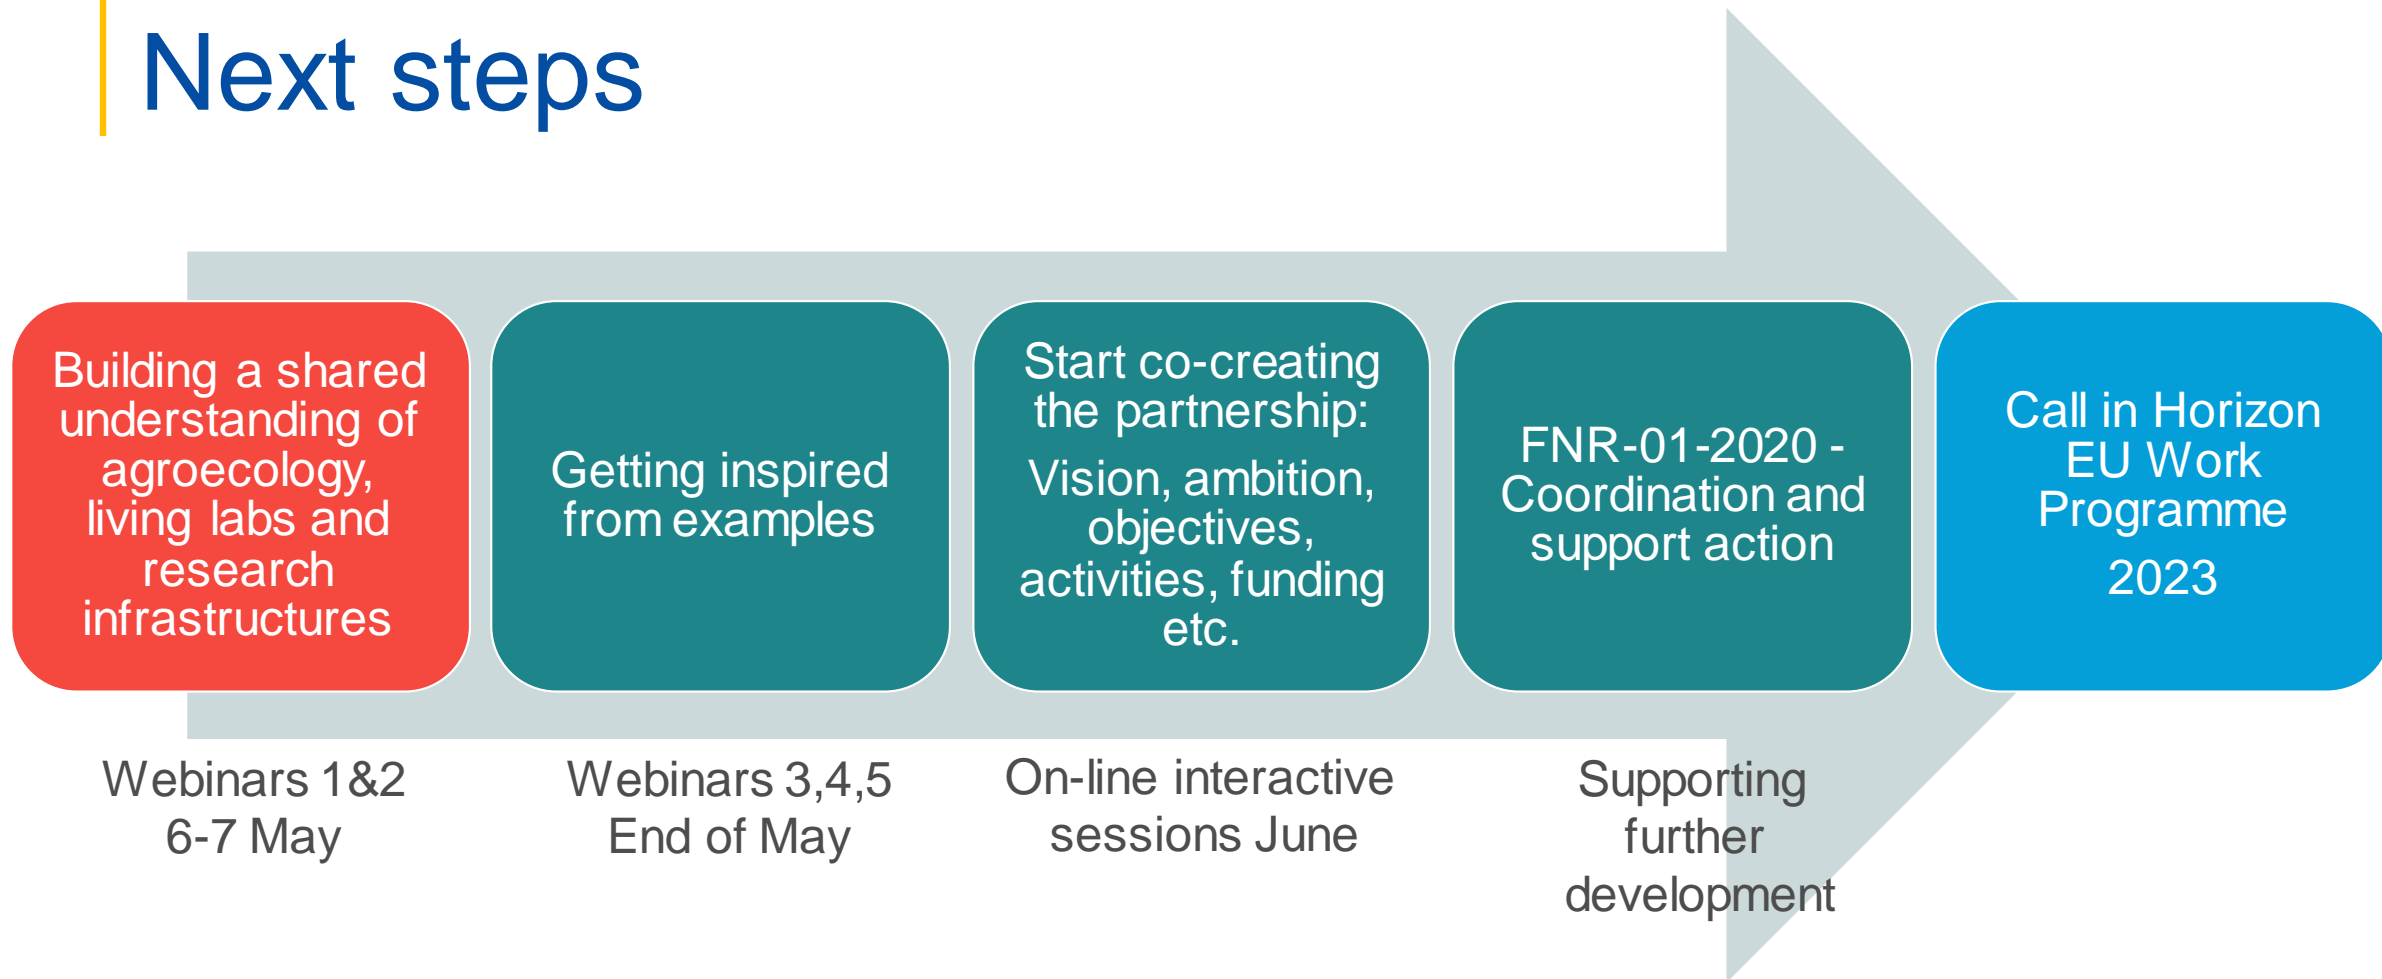

Any thoughts overnight?

e.g. on how you see
agroecology R&I take
different shapes in
different places?
Tell us in the « chat to
everyone »

We are here to start the conversation on how to build together a **Horizon Europe partnership on**
« ***Accelerating farming systems transition: agroecology living labs and research infrastructures*** »

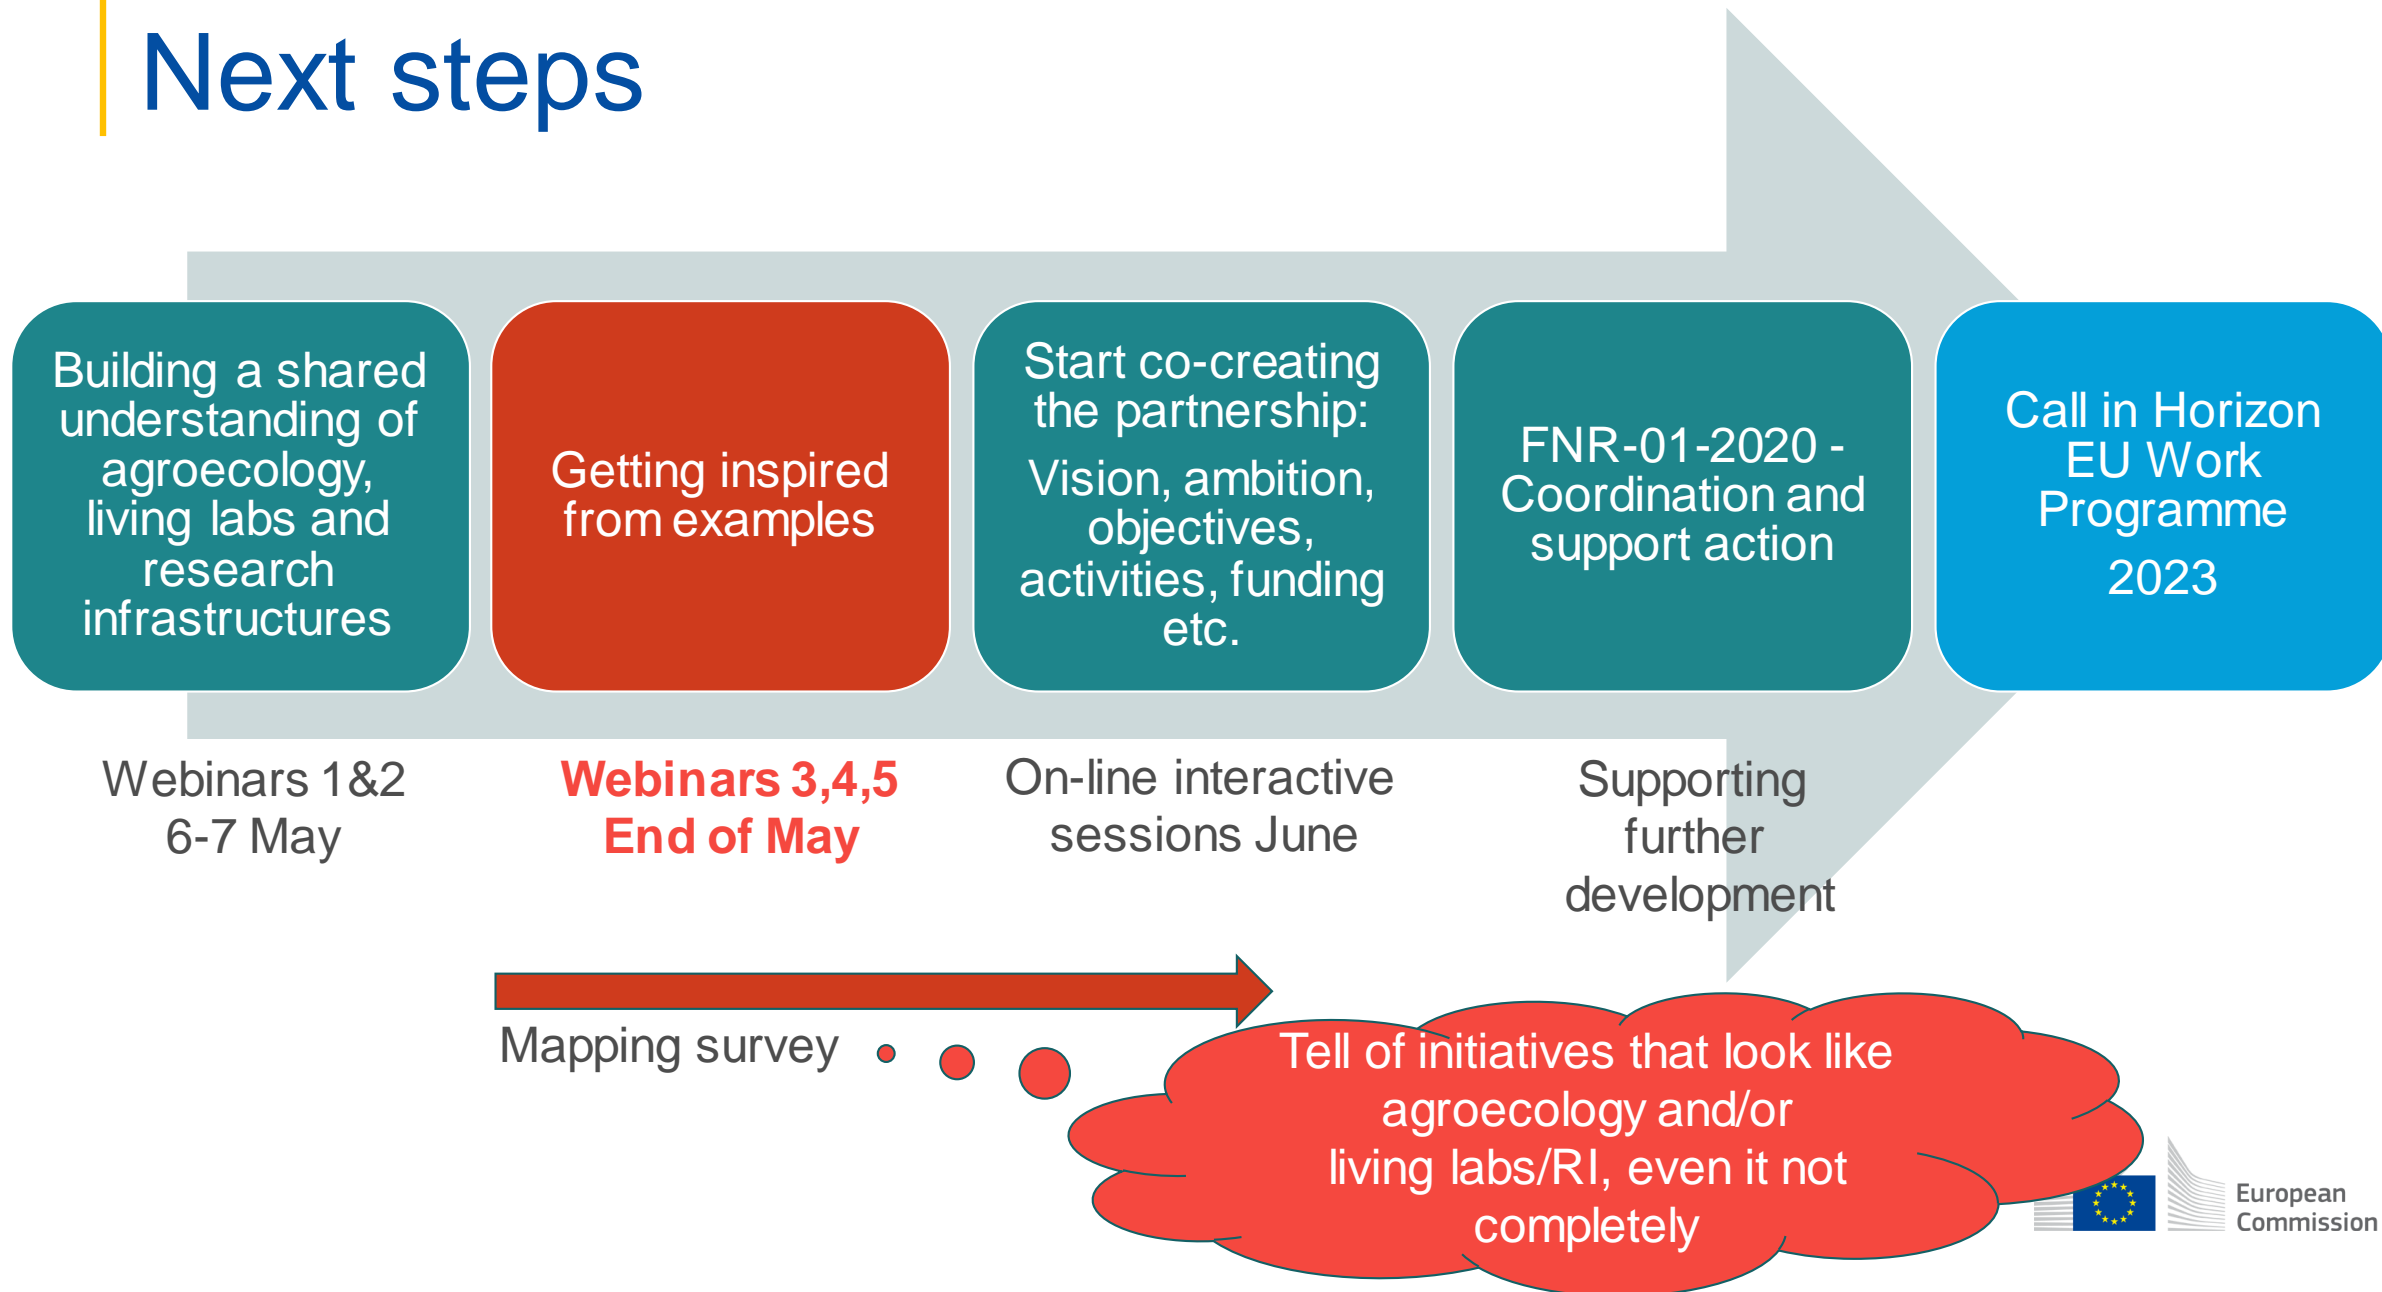

Next steps

Building a shared understanding of living labs and research infrastructures

- **Building a shared understanding of living labs** and their application to agriculture...:
 - A European cross-sectoral definition of living labs – Koen Vervoort - EnoLL
 - Agroecosystem Living Labs defining characteristics and implementation in Canada– François Chrétien – Agriculture and Agri-Food Canada
- ... and of **research infrastructures**
 - Overview of Research Infrastructures in the scope of the partnership – Agnès Robin – European Commission DG Research and innovation

Next steps

Take aways

**What are your
main take aways
from today?**

**Tell us in the chat to
everyone**

Thank you

See you soon in the next steps!
