RESPONSIBLE ISLAND *prize*

Is your **ISLAND**
ready to **COMPETE?**

In 2019 and 2020, the EU will launch the **RESponsible Island Prize** competition to reward islands with innovative and sustainable local renewable energy production for electricity, heating, cooling and transport.

The **three winners** will receive a cash prize of:
€500,000, **€250,000** and **€100,000** respectively.
