- 1 Let's make sustainable food choices that protect our health...
- 2 ... and support greener and fairer farming in the EU!
- 3 For all this, we need a good environment, who can help us?
- 4 Ok, but how does this reflect in our energy?
- 5 Yes, but this must affect our oceans.
- 6 Can we do something already to help?
- 7 Can you find other activities contributing to a better future in this EU map?
- 8 Let's make mobility safe, smart and sustainable.
- 9 We face challenging times: how to ensure we recover stronger and greener?
- 10 Ok, now that we know so much let's map our neighbourhood and dream!
- 11 But how do we make all these things? We research and innovate.
- 12 Want to see some real-life examples? Please come, and visit our house.
- 13 And now that you have learned so much you can do a final gesture and pledge for your future, do an action to help create a greener society.

Congrats!
You are now a Green Deal Champion!
