### Day 2 (Wednesday, 7 of September)

#### Morning: Decarbonising Waterborne Transport

**10:30 Welcome and introduction**

Jane Amilhat - European Commission DG RTD, Head of Unit C3 'Low Emission Future Industries'

**10:35 The EU's strategy to decarbonise waterborne transport: EU ETS in context of Green Deal and Fit for 55**

Hans Bergman - European Commission DG CLIMA, Head of Unit B4 'Mobility (II): Air, Rail, Water and Intermodal Policy')

11:00 Q&A

**EU R&I supporting decarbonisation in waterborne transport:**

**11:20 Electric shipping:** Horizon 2020 project E-Ferry

Halfdan Abrahamse

11:30 Q&A

**11:40 improving energy efficiency – air induced friction reducing ship coating:** Horizon 2020 project AIRCOAT

Johannes Oeffner

11:50 Q&A

**12:00 Hydrogen-Methanol Ship propulsion system using on-board pre-combustion carbon capture - Horizon 2020 project HyMethShip**

Igor Sauperl

12.10 Q&A

**12:20 Opportunities for EU support**

Gabriel Mialocq – Head of Sector C.3 Clean Transport Industry, European Climate Infrastructure and Environment Executive Agency (CINEA)

12:35 Q&A

End 12.50

#### Afternoon: Decarbonising Waterborne Transport

**15:00 Welcome and introduction**

Jane Amilhat - European Commission DG RTD, Head of Unit C3 'Low Emission Future Industries'

**15:05 EMSA supporting decarbonisation of waterborne transport**

Carlos Pereira - Sustainability & Technical Assistance, European Maritime Safety Agency (EMSA)

15:20 Q&A

**EU R&I projects supporting decarbonisation in waterborne transport:**

**15:40 Electric vessels and modular production: Horizon 2020 project TrAM** Mikal Dahle

15:50 Q&A

## SMM Hamburg - European Commission Stand Agenda

Hall A3, Stand 203

---

### **16:00 Next generation short-sea ship dual-fuel engine and propulsion retrofit technologies**

Horizon 2020 project SeaTech  
Sebastiaan Bleuanus, Anders Öster

16:10 Q&A

### **16:20 Opportunities for EU support**

Gabriel Mialocq – Head of Sector C.3 Clean Transport Industry, European Climate Infrastructure and Environment Executive Agency (CINEA)

16:35 Q&A

End 16:50

## SMM Hamburg - European Commission Stand Agenda

Hall A3, Stand 203

---

### Day 3 (Thursday, 8 of September)

#### Morning: Clean and sustainable waterborne transport

##### 10:30 Welcome and introduction

Andrea Gentili - European Commission DG RTD, Deputy Head of Unit C3 'Low Emission Future Industries'

##### 10:35 EU's vision and strategy for clean and sustainable shipping: FuelEU Maritime context of Green Deal and Fit for 55

Annika Kroon - European Commission DG MOVE, HoU D1 'Maritime Transport and Logistics'  
11:00 Q&A

#### EU R&I projects supporting sustainable alternative shipping fuels & energy:

##### 11:20 Methanol fuel – Horizon 2020 project Fastwater

Sebastian Verhelst  
11:30 Q&A

##### 11:40 Wind assistance – European Maritime and Fisheries Fund project SEAWING4BLUE

Vincent Bernatets  
11:50 Q&A

##### 12:00 Opportunities for EU support

Georgios Charalampous - C.3 Clean Transport Industry, European Climate Infrastructure and Environment Executive Agency (CINEA)  
12:15 Q&A

#### Afternoon: Clean and sustainable waterborne transport

##### 15:00 Welcome and introduction

Andrea Gentili - European Commission DG RTD, Deputy Head of Unit C3 'Low Emission Future Industries'

#### EU R&I projects supporting alternative fuels for waterborne transport:

##### 15:05 Improved efficiency through batteries and fuel cells for long-haul passenger ships

Horizon 2020 project Nautilus  
Syed-Asif Ansar  
15:15 Q&A

##### 15:25 Demonstrating a large scale ammonia engine for decarbonising waterborne transport

Horizon 2020 project Engimmonia  
Andrea Pestarino  
15:35 Q&A

##### 15:45 Opportunities for EU support

Georgios Charalampous - C.3 Clean Transport Industry, European Climate Infrastructure and Environment Executive Agency (CINEA)  
15:55 Q&A

End 16:05

### Day 4 (Friday, 9 of September)

#### Morning: Safe and digital waterborne transport

**10:30 Welcome and introduction**

Andrea Gentili - European Commission DG RTD, Deputy Head of Unit C3 'Low Emission Future Industries'

**10:35 Ensuring smart waterborne transport and safe equipment**

Maik Schmahl - European Commission DG MOVE Unit D2 Maritime Safety  
11.00 Q&A

**EU R&I projects supporting safe and digital waterborne transport:**

**11:20 Flooding Accident Response**

Horizon 2020 FLARE project  
Stephan Wurst  
11:30 Q&A

**11:40 The Autonomous ship**

Horizon 2020 AUTOSHIP project  
Marco Molica Collela  
11:50 Q&A

**12:00 Opportunities for EU support**

Georgios Charalampous, C.3 Clean Transport Industry, European Climate Infrastructure and Environment Executive Agency (CINEA)  
12:15 Q&A

#### Afternoon: Safe waterborne transport

**14:00 Welcome and introduction**

Andrea Gentili - European Commission DG RTD, Deputy Head of Unit C3 'Low Emission Future Industries'

**14:05 EMSA activities supporting safety of shipping**

Przemyslaw Torlop - Sustainability & Technical Assistance, European Maritime Safety Agency (EMSA)  
14:20 Q&A

**EU R&I projects supporting safe and digital waterborne transport:**

**14:50 Next Generation of Life-Saving Appliances and Systems**

Horizon 2020 SAFEPASS project  
Lazaros Karagiannidis, Nikolaos Ouzounoglou  
15.00 Q&A

**15:10 Opportunities for EU support**

Georgios Charalampous - C.3 Clean Transport Industry, European Climate Infrastructure and Environment Executive Agency (CINEA)  
15:25 Q&A  
End: 15:40
